*Sunday School Lesson*

## ***The Place of Ultimate Trust***

*Devotional Reading: Matthew: 19:16-23*

*Background Scripture: Galatians 3:1-14*

*Print Passage: Galatians 3:1-14*

*Key Verse - He redeemed us in order that the blessing given to Abraham might come to the Gentiles through Christ Jesus, so that by faith we might receive the promise of the Spirit (Galatians: 3:14, NIV).*

*To know and accept the ultimate object of faith is to make everything else subordinate, if not useless. In what should we place this ultimate faith? According to Paul, faith in Jesus Christ's sacrifice for us makes adherence to the Law foolishness.*

### **Lesson Aims**

As a result of studying this lesson, the participants should :

- Understand the meaning and the process of salvation and sanctification.
- Be able to express what their freedom from the Law through Christ means to them.
- Grow in that which is deserving of their highest trust-Jesus Christ and Him only.
